

30.O930.BN  
Berkley, 256mm, Brushed Nickel

Add some luxe to your cabinetry with these solid brass handles featuring a beautiful, knurled diamond texture combined with modern brushed satin ends. This style of handle features delicate, ridged criss-crossed diagonal lines that create the popular & exquisite knurled feel and appearance, and a texture that catches natural light. These brass cabinet handles, which are slightly slimmer than our Manor and Henley range, are sure to add a stunning finishing touch to the front of your cabinets and drawers, whether it be a contemporary or traditional property.

Complete the look with the complementary 30mm knob handle. D handle is available in 160mm or 256mm (hole centres) and finished in Pewter, Black, Brushed Nickel, Brass and Antique Brass. Design: Archant Ltd
