### Chafford, Brushed Brass

A thin, simple, flat weave with medium fill. The Chafford Wovenpanel™ is created from small flat wire and has a medium fill to allow more light to pass through the panel and also allows more visibility between the spaces. Its modern, stylish and uniform look combines convincing functionality with stability and durability. The Chafford adds visual interest and sophistication to contemporary spaces.

Archant provides two easy ways for you to purchase Wovenpanel™ for your project. We have the full-size Wovenpanel™ sheets available for purchase, click "Add to Cart" to purchase the full sheet.

If you would like your Wovenpanel™ cut and fabricated to your specific panel size you can request a quote and use our end-to-end fabrication service. [Request a Quote.](#)
